# Wealth Management Services

## Expertise

Our Wealth Advisors have many years of experience in wealth management and trust administration. Our solutions are built around a goal-based financial plan and include ongoing consultation, unbiased investment management, personal trust administration, and wealth transfer assistance. Our team will work to deliver a comprehensive solution that helps you achieve your goals.

## Professional Objectivity

As corporate fiduciaries, we are held to the highest standard of care and strictest standards of behavior. You can be assured that our unbiased investment management is driven by a strong fundamental philosophy and process, not emotions.

Our local team of professional and friendly advisors sets us apart from the rest. We have been serving the needs of our communities for decades – offering valuable services you can rely on.

## Personal Touch

At Heartland Bank, our first goal is to get to know you and your unique situation. We will design a customized program that meets your goals and makes life a little less complicated. We offer assistance to build, maintain, diversify, protect, or transfer your family's financial assets.

We are professionals you can count on, call any time, and meet with on an individual basis. Being your financial advisor is important to us, and our goal is to build a strong relationship with every client.
