Comments: Dekalb 66-74 with 4X Rate EDC Fungicide at a \$30 per unit premium over Dekalb 61-54 and Wyffels 7158 ended up being money well spent. \$894 less \$841 = \$53 per Acre * 2.32 Acres per Bag = \$122.96 (DK 61-54 & W 7158 would have to be lower in cost to be equal buys).
